

Wade Morgan

JAZZ VOCALIST

Wade Morgan is a Melbourne-based vocalist reviving the golden era of jazz through smooth soulful performances.

Drawing inspiration from legendary artists such as Frank Sinatra, Dean Martin and Tony Bennett, his rich vocals and refined phrasing capture the elegance and emotion of classic Rat Pack era Jazz.

Morgan's performances blend sophistication with sincerity. His smooth vocal delivery, refined phrasing, and ability to connect emotionally with his audience have made him a standout talent in Australia's jazz community.

Whether he's interpreting a classic ballad or delivering a high energy swing number, Wade's voice resonates with warmth, authenticity, and soul.

JAZZ VOCALIST

"Jazz and swing are more than just genres to me, they're expressions of style, emotion, and storytelling.

My goal is to honour the timeless tradition of this music, inviting audiences to feel like they've stepped into an era when music was full of meaning, elegance, and mood."
